

Address:  
195 Whitehorse Rd  
(Locked Bag No. 9)  
Blackburn 3130

Ph: 9875 1123  
Fax: 9875 1100

Web: [www.blackburnclinic.com.au](http://www.blackburnclinic.com.au)

## How to book:

Phone us on 9875 1123, to ask for a "Women's Health Check" appointment. We will post a detailed health questionnaire to complete prior to your appointment.

The health check takes approximately 1¼ hours. Appointments are available in designated times including some Saturdays.

## Information Sheet

Please take a few minutes to read this document – it may improve your health!

Following many requests, after our popular men's health checks, Blackburn Clinic has developed a health program specifically designed for women who wish to do something about improving their

health.

The Women's Health Check is much more comprehensive than a standard gynaecological check.

Our preventative philosophy aims to identify risks and put strategies in place to prevent ill health.

If a health problem exists, then by detecting the problem early, we can aim for better management of the problem, thus minimising complications.

## We are offering a whole body checkup comprising:

- a detailed heart risk evaluation
- an ECG
- respiratory assessment
- diabetes check
- a fitness test (wear loose clothing)
- skin cancer check
- eye check
- hearing screening test
- breast & pap check when appropriate
- risk evaluation

## What is the cost?

Patients may pay in full, or may choose to pay only the gap amount (**Gap \$150**) on the day. Appropriate Medicare item numbers will also be billed, and unless full payment is made, Medicare will send a cheque to the patient (made out to the doctor), which must be sent on to Blackburn Clinic.

## Cancellation Fee:

Patients who fail to attend, or to provide at least 48 hours notice of cancellation, will be charged a cancellation a \$70 fee (unless the clinic is able to rebook this appointment).
