

BLACKBURN CLINIC FAMILY GENERAL PRACTICE

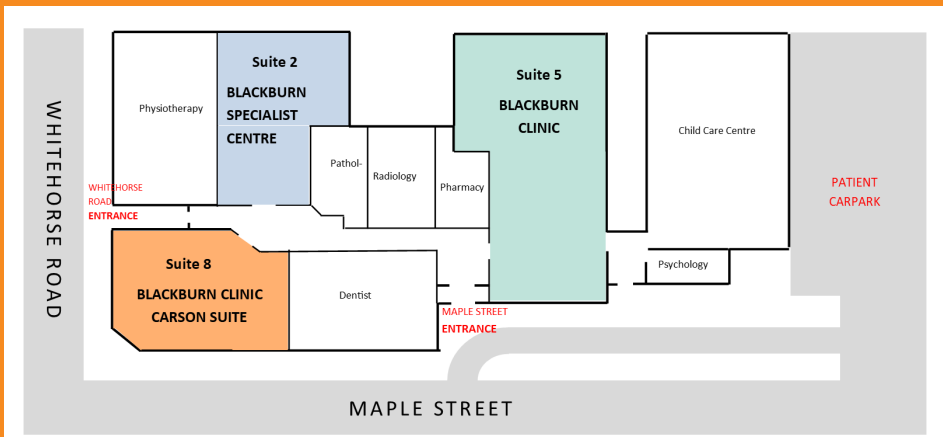

Find my doctor

At the time of writing, Blackburn Clinic Carson Suite is on track to open in March 2022. We apologise that until the Carson Suite opens there will be some doctors moving between Suite 2 and Suite 5 due to the shortage of rooms.

Once the Carson Suite opens, doctors will normally work from one suite (per the lists below), although all doctors participate in weekend and public holiday work located at Blackburn Clinic Suite 5.
